

## THE SPRING HOUSE / HELICON / ON THE EDGES PERMACULTURE DESIGN: DISCLAIMER

**The content on our website, as well as information that is given at our events, classes or consultations is exclusively for educational purposes only.** We make every attempt to provide useful and accurate information, but every person is responsible to research and verify information before relying on it or using it. The Spring House / Helicon / On the Edges Permaculture Design accepts no liability or responsibility for how the information shared on our website, events, classes, or consultations is used. Each person attending our events, classes or who uses information from our website or consultations, is responsible for their choices, and participates at their own risk.

**The content on our website, as well as that given at our events, should not be construed as medical advice.** We are not licensed or registered healthcare practitioners, and cannot diagnose health conditions, or prescribe medicines.

**Each person choosing to purchase or use any products sold by The Spring House / Helicon / On the Edges Permaculture Design is responsible for their choice to do so.** No claims of any kind are made about products, and consumers should educate themselves about these products before using. Additionally, some people may have allergic or other reactions to plants, vegetables or other ingredients that are commonly used or eaten. Each person using our products is responsible to educate themselves about the products, and uses them at their own risk.

**Interacting with and/or consuming wild and cultivated plants and fungi has inherent risks,** including possible illness and death, and should only be attempted by those that are well educated in plant identification. *(Always have 100% positive identification of anything before you use it.)* Additionally, some people may have allergic or other reactions to plants, vegetables or other substances that are commonly used or eaten. Each person attending our events, or classes, or who uses information from our website or consultations, is responsible for their choices, and participates at their own risk.

**The opinions expressed on our website, or at our events or classes, by other guest teachers or participants,** are their own, and do not necessarily reflect the opinions or views of The Spring House / Helicon / On the Edges Permaculture Design

**By using our website or consulting information, or attending our events or classes, you are agreeing that The Spring House / Helicon / On the Edges Permaculture Design cannot be responsible for how you use that information, or any damage that may occur to yourself or your property based on your usage of information received through The Spring House / Helicon / On the Edges Permaculture Design, including any type of reaction that you may have to plants or fungi (whether wild or cultivated), or for incorrect identification you may make.**

### **FDA DISCLAIMER**

*The statements and products found on our site or at our events have not been evaluated by the FDA. They are not intended to diagnose, treat, cure, or prevent any disease or condition. If you have a health concern or condition, consult a physician. Always consult a medical doctor before modifying your diet, using any new product, drug, supplement, or doing any new exercises. (Please also be aware that certain herbs and plants may be contraindicated for those using prescription medications.)*
